**WARNING**

**Do Not Use:**

- If you are under 18 years of age
- If you wear braces or other dental appliances
- If you have loose teeth
- If you have been diagnosed with temporo-mandibular joint (TMJ) problems
- If you are currently experiencing pain in mouth or jaw because of tooth clenching or grinding
- As an athletic mouthguard, this product does not absorb shock.
- For more than three months from initial use without consulting your dentist.

See your dentist every six months thereafter while using this product.

Please read and follow additional warnings and instructions on enclosed insert.

**DENTAL GUARD  
NIGHT PROTECTOR**

**DENTAL PROTECTOR FOR NIGHT TIME  
GRINDING OF TEETH**

Similar to costly night protectors provided by dentists, the CVS/Pharmacy Dental Guard Night Protector is a more convenient and cost-effective alternative. You can custom fit it yourself in minutes! The unique construction of the Dental Guard Night Protector along with the enclosed, easy-to-follow instructions, make fitting simple and quick.
